

CALL FOR NOMINATIONS HIGGINS & LANGLEY MEMORIAL AWARDS IN SWIFTWATER RESCUE

The Higgins & Langley Memorial and Education Fund, working in conjunction with the Swiftwater Rescue Committee of the National Association for Search and Rescue (NASAR), is seeking nominations for the 2010 Higgins & Langley Memorial Awards for Outstanding Achievement in the Field of Swiftwater Rescue, the highest international honors presented for flood and swiftwater rescue.

In addition to individual achievements and swiftwater-flood rescue team efforts, those who have dedicated years of service to developing and implementing swiftwater-flood rescue training programs, as well as public safety media-education efforts, will be considered for nomination. Nominations for the 2010 flood and swiftwater incident awards may include those between January 1, 2009 and February 1, 2010.

The awards honor civilian rescuer, Earl Higgins, who lost his life in February of 1980 while attempting to save a child being swept away in the flood-swollen Los Angeles River, and firefighter/paramedic Jeffrey Langley of the Los Angeles County Fire Department, who lost his life in a helicopter accident in March of 1993.

The awards will be presented during the annual conference of the National Association for Search and Rescue at the end of May 2010.

The DEADLINE FOR SUBMISSIONS is February 19, 2010.

All nominations must be postmarked no later than February 19, 2010. Read instructions with care to avoid having nominations disqualified for lack of completion.

There are several award categories, not all of which specifically recognize noteworthy technical swiftwater/flood rescues. Some recognize significant achievement in the development of swiftwater/flood rescue training programs, flood disaster preparedness and response, flood and swiftwater safety education programs, etc.
